***Third E-mail from msgana:***

*This is a message from the prospective graduate students about whom I told you before. They & I are very pleased by your reply and like to say "Thank you very much!", "IgziAbHear Ystln!"*

***E-mail from Mr. Ras Iadonis Tafari:***

*Selamta Nibure-Id Ermias & Tena Yistilign, INKWAN MELKAM FASIKA ADERSN!*

*I Ras Iadonis Tafari, co-founder of the Lion of Judah Society, was just visiting your site again and the Holy Spirit had me search my name thinking that I was going to find the article and the response that you gave and instead found a flattering serpent misrepresent what we had said very clearly.*

*All this talk about my Father, Qedamawi Haile Selassie being "Jesus Christ" or 're-incarnation' like the hindu-rastas is not what we teach and we would like you to know that the point of our refering to a Sis. Kaya IsesaJah and her group of Orthodox pseudo Rastas to your site was because she and other pseudo-Rastas have joined the "Egyptian Orthodox" dominated church that belittles the True Ethiopian faith, i.e. TEWAHDO!*

*But instead I see my name and ministry being cunningly implicated with others who don't know Amharic, can't read Amharic or G'lz and furthermore think that "Rastafari" translates as 'head creator' instead of the "Head to be respected; feared" (in the biblical honour bestowed to our rulers/i.e. and the Elohim of IsraEL).*

*I just wanted to briefly respond to this because they are "Orthodox" followers. We know that certain aspect of what we admit may not be accepted by*

*you or your people presently. However, for certain individuals to use "Ras Iadonis Tafari" say this and that and never to quote me or refer to anything that we have said regarding H.I.M. and Ethiopia is dishonest and reminds me of what certain dissemblers did and their methodology.*

*We were forthright and honest with you Nibura-Id, Ermias Kebede Wolde-Yesus and said from our first writing that we did not share your negative comments concerning His Imperial Majesty, Haile Selassie I in your earlier book, yet embrace the passion for the TEWAHDO doctrine of Holy Ethiopia. According to that teaching which is biblically based and referenced, when one is born of God, through Iyesus Kristus, the Father and the Son "sup" with and become "One" or 'AHAD' that is the root/related etymology shemitically of the word TEWAHDO/Mewahad.*

*So, if one accepts the True GOD (who is spirit) and the Testimony of the Son, Yeshwa/Iyesus Kristus according/being faithful to the word, then the Father and the Son sups with and becomes ONE. We in Royal Rastafari know that this is the basic principle "God and Man" as "ONE"/A-TONE-MENT. All of this is because of YESUS according to the New Covenant based upon the fulfillment of the Old. We site the words of H.I.M. that further explains this and have taught that as well. We don't teach re-incarnation like many pseudo-Rastas do and have done much to rebuke that! So, how one would gossip and call out my name in a weak theological debate is trifling and dishonest.*

*HOWEVER, since ones have opened their own can of worms, let's crush some heads... Sis. Kaya IsesaJah doesn't even have an Ethiopian or biblical name, maybe "Orthodox" but they don't teach you any Royal Amharic. Claims to be some sort of a minister or missionary but doesn't know the bible. Why some people pretend to be "Rastas" I don't know! They are dissemblers like Marcus Garvey who was a Roman Catholic Jesuit spy. We defend and promote the work of Dr. MELAKU EMMANUEL BAYEN who was one sent to the Diaspora of Black People who are the lost sheep of the House of IsraEL.*

*Your reply, to our first letter, explained much about*

*the work of EDUCATION still needed on both sides, by both members of this HOLY FAMILY, the Ethiopians at home and those of us abroad especially Royal Rastafari. The idea that H.I.M. is related in some spiritual way to the manifestation of YESUS KRISTOS must not be doubted or trifled. I noticed that at times you put all the blame on H.I.M. and then add His generation.... Are you beloved not a member of "that" generation? Yet, when you recount the historical failures related to the Holy Covenant you simply say "the generation" or use 'contemporary'.... That is your right and choice you knowest.*

*Thank you for this opportunity to write you again and as always we look forward to your response. Yet, we never said you said anything other than what you did say and quoted your reply in full... It was to address Kaya IsesaJah and her Egyptian Orthodox/Ethiopian Orthodox campaign online and we referred her to the Tewahdo teachings of the True Ethiopian Church...*

*The real point is this "EOTC"? How can she or other visit your site and pick on those of us who have our Tewahdo based faith and then miss the points made about the corruption of the so-called 'orthodox'? She wanted to address it to me and to her because of "certain Rastafari"? If we see YESUS KRISTOS or even His Spirit being manifest in H.I.M. whose business is that of a "Orthodox"/leaven of the Pharisees to single us or H.I.M. out for slander and finger-pointing? Notice, she still wants to establish an "EOTC" in her area and not a "ETC"? That shows the message you are trying to communicate is not heard by some...*

*In closing I would like to quote you when you wrote replying to us in brief: "I admire and commend the individual and the collective commitments you and your compatriots are making and the ventures that you are undertaking in the pursuit and promotion of the cause of the Ras Teferians (Rastas). I believed from the beginning that this Movement came into being to serve, not only the cause of the latter, but also, the present apostate Ethiopian generation in its desperate need for a new inspiration, an exemplary character and a beacon of hope."*

*We still receive your word and know that if we see*

*YESUS KRISTOS in and through the Krstna of H.I.M. many will persecute us for this but all that "certain Rastafarian" talk is useless. The issue is Orthodox V. TEWAHIDO and the main point that you outlined in your first response. I am shocked at the backstabbing and underhanded way of certain people who obviously lack an Ethiopian sense of Honour/KBR. Our word always to Rastas has been and will continue to be H.I.M. accepted YESUS KRISTOS according to TEWAHIDO so why don't you my brother/sister? This is my word not He "is Christ" or "there is Christ" except in the sense that KRISTOS/Meshih means to be "anointed" and every HEBREW King, because YAHWEH is God of the Hebrews is "Anointed."*

*In that sense not with all this Rastas this and that nonsense of people who claim to love Ethiopia and don't have biblical or even Ethiopian names and don't speak the Royal Amharic or read/write based upon the H.I.M. HOLY BIBLE/ THE 1961*

*AUTHORIZED VERSION IN AMHARIC that the current "EOTC" and Mahbere Qdusan would like to go to Belfast and get 45,000 English pound to produce an obviously pro-foreign domination version. Grace, Peace and Love be with you all! S'ega, Selamina Fi'q'r,*

#### **Our Response:-**

Dear Mr. Ras Iadonis Tafari:

I am glad that you are inspired again to respond to and expound more on the issue raised in your email. Your effort greatly contributes to dispel any misunderstanding, misconception and distortion involved therein. To that effect, we will publish your email in the Q & A forum of our web site, as we had previously done, so that others would benefit from learning the truth about the controversy raised and the explanation given therein, finally to make

their own judgment.

As commonly known by True Believers, the Ascension of Our Lord signified the Grand Episode of the Unique Divine Mission Accomplished by the Incarnate Son of God. Following that Episode, the Descent of the Holy Spirit, as substitute, inaugurated the Consequential Eternal Grace of God. As a result, for the last two millenniums, every minute sector of the conduct of the individual, familial, communal, national, international, global and universal activities is guided and controlled within the Supreme Knowledge, Command and Auspices of the Holy Spirit. Nothing exists and is done outside such Awareness and Realm of The Holy Spirit. If this is the Divine Reality, let us simply do our part to the full extent of our personal and collective capacity, and commit the rest to the care and management of the Omnipotent and Omnipresent Providence of God, The Holy Spirit. Let us not worry at all about any aspect of our lives, thoughts and activities: He, The Holy Spirit, will deal with and take charge of every thing with pristine exactitude and optimum perfection.

Lastly, to comment on your critical reference to my seeming disregard of the apparent participation in the guilt of the generation, I would simply reiterate that I was quite explicit in stating the truth to that effect in my book, Ethiopia: The Classic Case and the subsequent publications. The evidence that I had my share in paying the price thereof also speaks for itself.

However, even though I am part of the generation, I never ceased, from the early days of my youth to this day, to teach and inform, admonish and warn, through various means and media, with the aim to awaken the same generation and make it realize what is in store and forthcoming that was detrimental to its survival. This anxiety began to appear and came to be transformed into action, as aforementioned, by the time I was conscious of the imminent danger of the catastrophic axe that hanged over the generation to strike.

The axe was meant to cut down every root of any of the members of the generation who did not bear the good fruit of Faith in the Holy Covenant, and who did not repent from his/her sin of failure to do

so. It did execute its objective and still continue to carry out the same even today, just as the Word of God spoken by John the Baptist forewarned the Children of Israel (Jn. 3/10).

Let us continue to pray for the Blessings of Enlightenment, Inspiration and Guidance of the Holy Spirit to be upon all of us.

N'bure-Id Ermias Kebede Wolde-lyesus,

***First E-mail from Mr. Ras Jon Falkowski:***

*Greetings! I Give thanks for this site.*

*I have heard of this site from Ras Yadon and the LOJ (Lion of Judah) society. My name is Ras Jon. I am twenty five and Mexican and American. I have a ras for seven years. I love and follow the teachings of Haile Selassie. I love His Majesty's teachings, and I also am planning to get baptised in the EOC Church of the Abuna Yesehaq.*

**Our Response:-**

Dear Mr. Ras Jon Falkowski:  
In order for you to know the Divine Truth about Ethiopia and Ethiopianity, we suggest that you read our book entitled Ethiopia: The Classic Case, if you did not do so so far. It is posted along with other publications in the section of "Books" of our web site. There you will find relevant materials that would provide you with more enlightenment on the same subject, particularly in the "Faith" section and in the Q & A forum.

***Second E-mail from Mr. Ras Jon:***

*I want to know if there is a church in chicago of the Ethiopian Orthodox Church. Please let me know.*

**Our Response:-**

Dear Mr. Ras Jon:

We suggest that you look in the local Yellow Pages of Chicago or in Google to find out if there is any and the address of an EOC.

*E-mail from Habte-Sellassie:*

*My dear brother in Christ,*

*I am writing to you because I have been told that a brother from London has questioned your teachings which he read in the book you sold to me. I understand that he suggested that it has caused the church here great harm.*

*I wish to inform you that the only harm it has caused is to those who do not wish to understand the truth. They expect to teach the Church not for the church to teach them.*

*Your book is a great assets to us who hunger for more knowledge. We want to clean our selves so that we are not blind to the truth. We need more people like you to help as true Disciples of Christ who go forth into the world to guide people according to the truth.*

*Our brother in England does not understand and will not listen so it is very difficult to move his thoughts. The church in London is having difficulties but not because of your wonderful book which for those of us that welcome it know literature like it can not be found in book shops in England. We need more. For those who reject it they are free to worship in true orthodox tradition or leave us rather than fight against us.*

*We do not force anyone to believe but we must teach them the truth.*

*I am sorry for any offence our brother has caused but as you understand far better than me you know he needs God in his heart and not the foolishness which is of the Antichrist.*

*I pray that God keeps you all the days of your life in peace and rewards you with crowns of glory as He did to His Disciples.*

*Habte Selassie*
