GREETINGS,

Children of all beliefs... Praises be unto THE CREATOR, THE MOST HIGH, LORD OF THE WORLDS. OWNER OF THE DAY OF JUDGEMENT. Let not our names for "GOD" seperate us from HIM.

Know, my people, of your past, your unimaginably rich history. We must know who we are before we can truly know our CREATOR. Culture is the spirit and soul of a people. Civilization being a product of materialistic advance, Man cannot know his CREATOR in his material conception. Man must elevate himself to the spiritual.

*as translated by Ras IADONIS (IHS)*

O Sovereign-Master All-Sustaining Source;  
Great and Marvellous is your work,  
O King of the Nations,  
Just and Truthful is your Way.  
O Sovereign-Master,  
Who will not reverence you?  
Who will not honour your name?  
For you alone is Holy:  
Because you have revealed your work,  
All nations will come  
And before your face they will bow.

EzekiÊL Chapter 19 Verse 2  
"And say,  
What is your mother?  
A Lioness:  
She lay down among lions,  
She nourishes (sustains) her whelps among young lions."

### The FATHER-MOTHER Principle

The Ethiopian woman and her African daughter have played a key role in the shaping and creating of her children and humanity at large. Her story must be told and retold to all the generations of the people for she is Our Mother and *with the same degree of honour she must be honoured. This is the commandment of Our Creator: Father-Mother principle, "Honour your Father and your Mother (principle): that your days may be long upon which the I AM THAT I AM thy Source gives you."* (Exodus 20:12) This is the only commandment given with a promise. This promise is long life which we all desire. **However, how can we hope for such longevity if we do not honour our Father and Mother principles?**

The FIRST Teacher

**The Mother is the first teacher and guide of her child.** In measure, she must also be taught the responsibilities of her five roles: as Mother, as Wife, as Daughter, as Sister and as being a **Man: female of the Male.** The Ethiopian (Black) woman has been deceived! She has been lied to and

betrayed by her own sisters. She has been told that, "*You don't need a man*" and "*All men are dogs.*" But, at the same time she is taught that she is a "*wo-man*" which is misinterpreted as "*woe to man.*" In truth Man's negative (Satana) mind is a "*woe*" to Himself. According to the Holy writ, the original womb-man/female is "*the Mother of all living.*" This fact has been covered up by all the major world religions. They have all dishonoured their mother and Our Mother, the Ethiopic Womb-man/female.

*"For I AM Zealous for you all with a Good jealousy. For I have betrothed (engaged) you all to ONE HUSBAND, that I may present You as a Pure (chaste) Virgin to KRISTOS, The Kind-Anointed. However, I am reverent, lest somehow, as The IBAB (serpent-snake) deceived HEYWAN (Life) by his craftiness, so your minds may be corrupted from the SIMPLICITY that is in KRISTOS."* 2ND CORINTHIANS 11 VERSE 2-3.

**True and faithful Etiyop'yan Sêt (Female) must become more in tune and harmony in regards to their inherent nature which overstands that the Etiyop'yan Man's natural functions in His community. Her holystic help is so necessary and vital to the full and total**

accomplishment and prosperity of His mission for His people and His intimate family. We must become **“members of a new race”** His Majesty says. This means that certain old and morally depraved slave ways must be replaced by the goodness that is our natural nature. There is no weapon against goodness, open-handedness and honesty. Loyalty to our principles and higher calling is necessary. There are many trials and tribulations which the righteous just will pass through. Faith that works by love is the key. In Kristus awareness there is no victim! As Kristus have **overcome the downpressive mixed-up, moods and attitudes**, so does one who is aware of His presence in Him.

Together gathering to gather for better for the good of the whole and holystic family is the only way to overcome babylon. Your faith must be in the All-Able Source. There is a Divine Order which was emanated from the pure and holystic fore-thought of the Fore-Father. The Father-Mother source manifested in nature an equilibrium which is the balance of life. In the All-Able's design and blueprint of Humanity, there is male and female. The two become one in mind, body (structure; temple) and soul and the two are one divine (ivine). I am the vine and I man Father is the Husband man. There are some queens who as others of the past are acting in open defiance of Yah way. These queens are the followers of the Mystery: Babylon the Great who scriptures reveal is **“the mother of harlots and the abominations of the earth.”** (Rev. 17:5) Many of our young sisters, wives, mothers and daughters have been caught in the trap of the Harlot.

Yet now there will be torment and sorrow for the Whore (Satana) who says in her heart, **“I SIT AS QUEEN (SHE ACTS LIKE SHE HAS POWER TO RULE LIKE A FEMALE RULER BECAUSE SHE FEELS-MANLY; A RUDE GAL), AND AM NO WIDOW (SHE HAS A HUSBAND WHOM SHE DOESN'T RESPECT; SHE ACTS LIKE A WOE-MAN WITHOUT A HEAD:HUSBAND), AND WILL SEE NO SCORROW (SHE'S NOT IN THE LEAST SORRY THAT SHE MAKES HER HEAD HARD IN OVER CONFIDENCE IN HER DOWNTRODDEN WAYS; SHE FEELS THAT SHE WON'T FEEL PAIN FOR THE PAIN SHE'S CAUSED; HAS NO REGRETS OR REMORSE).”** (Refer to Rev. 18:7)

### **10 Virtues of The Ethiopian Womb-Emma (Wombma/FEMALE)**

1. The Ethiopian Womb-Emma (Wombma) must always respect Her self and Her Womb.
2. The Ethiopian Womb-Emma (Wombma) must always be a help-meet (helper).
3. The Ethiopian Womb-Emma (Wombma) must always obey Her Bal (Hus-band; the one who keeps the family banded together).
4. The Ethiopian Womb-Emma (Wombma) must always have a good attitude.
5. The Ethiopian Womb-Emma (Wombma) must always keep Her home comfortable.
6. The Ethiopian Womb-Emma (Wombma) must always care for, nature and nurture Her children.
7. The Ethiopian Womb-Emma (Wombma) must always keep Her righteous and honourable.
8. The Ethiopian Womb-Emma (Wombma) must always be generous to the poor and needy.
9. The Ethiopian Womb-Emma (Wombma) must always be quiet when angry.

She must always speak with gentle wise-mind.

10. The Ethiopian Womb-Emma (Wombma) must remember that she is a daughter of Ethiopia, the bride of the Lamb, THE FIRST HAYLE SELASSIE, the King of kings, the Conquering Lion of the Tribe of Iudah (Aja-Wu-Deh).

**Mothers, Wives, Daughters, Sisters and all Ethiopian (Black) Womb-Mas!** From Our wombs come all human beings of all shades, colors and hues. We are the Black Madonna which all nations under Christ (the Kristus) honour and venerate. Come and become one with Us and prepare yourselves and your families for the future. We, the Daughters of Ethiopia, known biblically as "the daughters of Zion" have a new name, character, purpose and destiny. We must re-claim Our divinity as Father-Mother in the Tri-Unity, the Divine Ethiopian (Black) Family!

**We SELAM, Sisters of Ethiopia Learning and Advancement Ministry/Sisterhood Educational Learning and Advancement Ministry.**

**We all came from the Depth, the Source, through the Ancestors/Ascendants known as The NU from the Primal Father and the Grace, the Silence, the Womb** which is known as the Mother of All. This "Mother of all Living" (Genesis 3: 20) is known in Ethiopic as Hêywan and called ZOE (Life in Greek) and falsely called "Eve" which was to imply "Evil" by the male dominated boy's club called "White Supremacy", the sin of The Disobedient Albino ape called the Ke Anu Anu (Canaan), the Illiterate. Misguided by this beast mentality, Our young Ethiopian (Black) Man-Kind perish and die in this Babylon.

**Come with Us as We prepare Ourselves for what must be done.** This that must be done, only We, the Ethiopian (Black) womb-men have the power to do. We have the great challenges and changes of 1990's and thus, the New Age facing us from all directions. We must stand united and We must stand strong. Our families and community need Us and are calling for us to do what We must. We must heal Our families. But first We must heal Ourselves. We must re-instill in Ourselves and Our daughters the need to know themselves and to love themselves for who they are and not what they possess. We must make the world know that the Ethiopian (Black) Womb-Man/FEMALE is no longer a commodity to be bought and sold or raped mentally, physically or spiritually.

**We've got to re-learn the a, b, c's of who We really are,** where We're really from, and where do We go from here and how. We need to learn these lessons step by step because it is Our duty to re-shape and re-direct Our futures for the good of Our children of all races, nationalities, tribes, families and peoples all over the world.

Our Motto:  
Psalm 68 Verse 31

*"Ethiopyam ijochiwan wede Egzi'Abhêr tizerrigalech."*

"... and Ethiopia shall soon stretch forth Her hands to the Sustainer of The Light, Father."

Our Aim as SELAMinistries, from "selam" an Amharic (Amharic word meaning "SAFETY, SECURITY") is to begin to repair the damage which 463 years *plus* of mental, physical and spiritual captivity has done to Our families and to Ourselves. We have a new covenant with Our Father, H.I.M. Emperor Haile Selassie I, the King of kings, King Alpha (A) and Our Mother, the Mother of Our nation of Ethiopia, H.I.M. Empress Menen, the Queen of queens, Queen Omêga (Ω). Our Aim is to re-new that which is "old", the good way that We can walk in and find rest for Our souls (Jeremiah 6:16). Surely the "Queen of the South" (Matthew 12:42) shall rise up with judgment with this generation. It was an Ethiopian queen named "Makeda" which gave birth to

“son of the wise man” named Menelik I, also known as David II Son of Solomon I Son of David I, the “Greater than Solomon.”

EzekiÊL Chapter 19 Verse 2

*“And say, What is your mother? A Lioness: She lay down among lions, She nourishes (sustains) her whelps among young lions.”*

### Definition-ary

Au-Sêt - wife of Au-Sar (Osirius) and mother of Heru (Horus)

Dingil/ Dengel - Ethiopic word of honour for young virtuous wombmahs meaning “virgin” in mind, body and soul. This completion known as “perfection” is attained by purification of mind, body and soul and the science of ÊL Gebra (Algebra), the messenger angel known by his Ethiopian Baptismal name as GabreHayl(e) or by his “angelic” name of GabriÊL (GebreÊL) or the “work of the Power (God; Source)” which is nature intelligence of creation and pro-creation using the “X” and “Y” to produce a pure vessel (body).

X - equals 144, the Tao (Tewos), Tawe (cross), the Amharic letter “T” (sideways) and the ancient Ethiopic “Tz”, “Ts” and the hard “P”, the crossroads, the “crucifixion”, the letter Ya whose number is 10, the female chromosome, the hidden, the intellect (mind) being combined with spirit

(heart), the mark, the square, the four corners, the 4 elements, the planet Mars, the ID, the ET., the DOR, the letter D, the letter t, the base of the pyramid (Isaiah 19:19), the foundation and generally, the earth, also the world and all that is in Her (Psalm 24: 1).

Qedest/ Qidist - Ethiopic title for Wismahs (Wise Emmahs) meaning "holy" and pure; undefiled natural beauty

Hêywan/ Hêwan - help-mate of Adam, mother of Qayin (Cain) and AbÊL.

Sara - wife of Abraham, mother of Yeshaq.

Hanna - Ethiopic name from Hona meaning "to be; became" and means "she being (merciful)."

The name Hanna relates to the Hebrew word Hinnuk which means "education, training and upbringing" (The Signet Hebrew/ English, English/ Hebrew Dictionary by Dov-Ben Abba). The Hebrew word Hannun (Hanun) means "merciful." The a'emmro is that when a wombma gives "birth" she "yields" or has "mercy" and release the child who "be comes" or "comes into being." This is why she is called "Emma" which means "the one who produces" from the Ethiopic prefix em meaning "from; out of." There are three important wombmahs named "Hanna" who must be studied. 1. Hanna, the mother of SamuÊL 2. Hanna, the mother of 7 sons. 3. Hanna, the mother of the Virgin Mâryâm.

Makeda - the Queen of Sheba, mother of Menelik, wife of Solomon.

Hanna, the mother of Mâryâm.

Maryam - the mother of the Saviour, Yesus the Kristos (Jesus the Christ)

Gen-I-sis - the Geneology of I-sis, Au-Sêt called "the Book of Genesis"

Iman - the masculinization of the "Emma." Emma (mother) + man = Iman

Womb Ma/ Womb Emma - a "Ma" (Ethiopic Emma) not a "man" with a womb for childbirth and procreation.

Gezhwa - the Ethiopic word meaning "master"; used in English as "Joshua" and "Jesus" and in Hebrew as "Adonai", "Rabbonai" and "Rabbi." In Amharic as Gêtayê for "My master" and "My lord." Any and all of these can and should be used to call upon a wombmahs "mate", father, son or husband.

Bal - Hus-band and "house band." The Bal (hus-band) is the one who protects or "bands" the house.

Emmabêt - means literally "mother of the house" from the Ethiopic words Emrna (mother) and Bêt (house). The Emmabêt is the Wisma of Her family.

Wife - this English word from mid-evil times is from "wif" which means "woe is man" and must not be confused with a "woma" which is a Emma (mother)

Woman - this English word is the same as middle English expression "wif" which means "wife" or the "woe of man."

**1. The Ethiopian Womb-Emma (Wombma)** must always respect Her self and Her Womb. She must remember that she is divine and in the image of divinity and after it's likeness (Genesis 1:26) according to the Gen-I-sis/ the Geneology of I-sis, Au-Sêt called "the Book of Genesis", the very first book of the Hebrew and Christian Bibles are the two (twin) breasts of Ma'at (Truth); the instruction of Our Father and the law of Our Mother (Proverbs 1:8).

**The Ethiopian Womb-Emma (Wombma)** knows that the salvation or "saving;" of Her kind is by Education (Genesis 3:5), Wise-mind and Childbearing (1st Timothy 2:15). She knows that she is a daughter of "the Mother of all Living" (Genesis 3:20). Her mothers are Au-Sêt, wife of Au-Sar (Osirius) and mother of Heru (Horus), Hêywan, help-mate of Adam, Sara, wife of Abraham,

Hanna, the mother of SamuÊL, Makeda, the Queen of Sheba, Hanna, the mother of Mâryâm and Maryam, the mother of the Saviour, Yesus the Kristos (Jesus the Christ). Refer to Isaiah 4:1; Jeremiah 6:2; 31:22. Just like all of Her royal ascendants, Her womb also is as the "Ark of Mary", the Ark of the Covenant. She is the theotokos (Theotokos) or "Godbearer" because within her was the root of the tree of life from the Gennete Êden (the Garden of Eden). Refer to Revelations 22:2.

In the Gennete Êden (the Garden of Eden) the "original sin" was not sexual intercourse but was "disorder" caused by adding to the word of the Egzi' Abhêr (the Sustainer) the Amlak (Source) of Life who said, "But of the tree of the knowledge of good and evil, thou shall not eat of it (Genesis 2:17)." Hêwan's (Biblical "Eve's") mistake or "miss take" was to imply that the "tree of life" which was in the "midst" ((Genesis 3:3) of the garden was not to be eaten when it was actually the "tree of the knowledge of good and evil" which was also in the midst of the garden that was not to be eaten from. Notice that Hêwan (Biblical "Eve") says, "The Sustainer has said, You all are not to eat of it" and then she adds her own mis-understanding by saying, "nei her shall ye touch it; lest ye die (Genesis 3:3)."

By studying the Book of the Seven Seals known as the THE FIRST HAYLE SELASSIE Bible in Our pure language (Zephaniah 3 V.9) of Amharic (Amharic), we fully overstand how the serpent-man named Ibab beguiled or "tricked" Our mother, Hêwan. The "trickknowledge" which the Ibab (serpent-man) used was used to deceive and make Hêwan known as "Eve" believe or "Be Lie Eve" (Be Lie Herself) was based on the "word." Remember that "word is bond" and the "bond of man and woman" is life. The unity of "male" and "female" was established when Humanity was created in the Image and after the Likeness of the Almighty in Genesis 1:26 and consummated in Genesis 2:23-25. In the very beginning of the third chapter of the book of Genesis, the Ibab of the ancient "Danakil" from the Sudan tempted the new wife or "bride" of Adam. Notice what he says, "In truth has the Sustainer said that you all are not to eat of every tree of the garden?" Now the Ibab knew full well what the Sustainer of the land, the Creator of Ethiopia had said. The job of "devil" and his agents is to deceive and make "believe." In other words, the Babylonians, the children of Ibab (the serpent-man) are here to dis (respect) "Eve" and make her (Eve) belie herself. That's why Hêwan (Biblical "Eve") said, "The serpent (Ibab) beguiled me, and I did eat."

When you study the ancient Amharic (Amharic) or "pure language" scriptures of the THE FIRST HAYLE SELASSIE Bible, you will see how the Ibab (serpent-man) used a clever and cunning "play on words" to convince Hêwan (Biblical "Eve") to eat of the wrong tree. Remember that both trees, the "tree of life" and the "tree of the knowledge of good and evil" were in the midst of the garden (Genesis 2:9). The two trees like Adam and Hêwan (Biblical "Eve") were a couple, "male" and "female." The "tree of life" known also as "the book of life" (Revelations ?) was the "male" and the "tree of the knowledge of good and evil" was the "female." It would have been better for Adam and Hêwan (Biblical "Eve") to ask permission instead of "eating" of the "book" while they were still "unripe." They were not spiritually ready to deal with the "law of thy mother" (Proverbs 1:8) because they could not keep the instruction of "thy father" (Proverbs 1:8). This proves that "Justice is a product of Education" as THE FIRST HAYLE SELASSIE, the Living Lamb has said.

Symbolically, the Afar known as "Adam" was 1/2 of the "divinity" and 1/3 of the "triunity." Wend Afar known as "Adam" whose name means "red earth" was re-formed to be a "keeper of the garden" (Genesis 1:5) who was to "till the ground." This meant that all that went into the midir (ground) was "Adam's lot" and all that came from it such as "herbage" and "fruit" which grew above on the trees was "Hêwan's lot." The job of the "male" was as a "tiller" of the earth and the "female's" job was as a "mother/ provider." The Ibab (serpent-man) knew what he was doing by approaching Hêwan (Biblical "Eve") about the question of "food" instead of going directly to "Adam." Part of the Ibab's (serpent-man's) deception was that he appeal to the "feminine" senses of the "woman" and not the "man's." His argument was based upon the false idea that Adam and Hêwan (Biblical "Eve") were being denied the "fruit" of her tree not his tree. He knew the responsibility of the "male" and "female." That's why he deliberately came to Hêwan (Biblical "Eve") disguised as an animal which is "cold-blooded" and "sheds it's skin." All the inhabitants of the Gennetêden (garden of Eden) were well aware that the "male" creatures were "Adam's lot" and the "female" creatures were "Hêwan's lot." It is interesting to note that the Ibab (serpent-man) was a "male" creature. What could he (Ibab) as a "male" creature teach her that her mate Adam, who also was as a "male" creature couldn't? Think about his real intentions.

**The real intention of the Ibab (serpent-man) under the influence of Satana** was to cause Adam to "die" so that he could plant his wicked and evil seed within her. He knew that both Adam and Hêwan (Biblical "Eve") were young and innocent. The reason for their being brought to the Gennetêden (garden of Eden) was to prepare for themselves for their responsibilities as "co-rulers" of the earth. Ibab (the serpent-man) realized that his "seed" had lost the war with the ÊLohim (the guardians of Ethiopia) which had caused the "Rift valley" of Ethiopia to descend into the arid, sterile, stone and salt desert which includes salt lakes and lava streams with temperatures as high as 75°C (168°F) in the shade. This land was and still is inhabited by the nomads known as "Afars", the people of the dust. Their land is known as "the forbidden desert" of the Afars and Danakil. There were and still are two types of "Afars", those who live in Ethiopia and those who live in the Sudan. These people are known to be hostile and fierce, proud and individualistic, tall and dark bearded men with fine limbs and members. When the Bible speaks of the "strong and powerful nation" of Ethiopia in the book of Isaiah 18:2 who are "tall and smooth skinned (black), who are feared all over the world" (according to the Good News Bible) it is referring to the Afars of Ethiopia and southern Sudan known as the "Danakil", known as the serpent tribe (Genesis 49:17) of "Dan." Two of the tribes of the Ethiopia known as Afars and Amaras were to replace the "pre-historic" rulers of Atlantis. Ethiopia was known as "Utopia" and the capital of Atel which was known as "Atlantis."

Atlantis was the "red sea" colony of the Yebsu (the mainland) known as Ethiopia. This area was located between the "horn of Africa" (Ethiopia) and the Yemen in "southern Arabia" in what is known today as the "gulf of Aden (Eden)."

Because of the incident in the Gennetêden (garden of Eden), the state of the original Womb-Man/FEMALE known as Hêwan, the "mother of all living" was changed (Genesis 3:16). The three main changes from her original state can be listed as:

- a) multiplied conception
- b) motherhood linked with sorrow

## c) the "headship" of Adam

Some may ask, "If both Adam and Hêwan (Biblical "Eve") sinned why is man still the head?" The answer is simple. The whole point of the "garden" incident was to make Adam disobey and "die." Ibab's (the serpent-man's) main goal was to try and prove "Adam" unworthy of being in the Gennetêden (garden of Eden). He cleverly used Adam's mate (Hêwan) as his "bait" to trap the re-formed man in a conspiracy and disobedience much like SATANA tried to use Eyob's (Job's) wife against him (Job 2:9-10). Satana, whose name means "Adversary" and "Enemy (Opposition)" in the Heber (Hebrew) language and "Box of EL (Power)" (SatanaEL) in Amar was given permission to put Eyob's (Job's) faith to the test (Job 2:1-7).

In the story of Adam and Hêwan (Biblical "Eve"), the Womb-Man/FEMALE became an ignorant accomplice with the Ibab (serpent-man) in the "original sin" of "disorder." Hêwan (Biblical "Eve") was ignorant because she ignored the fact that she wasn't alone. In Genesis 2:24 it is recorded that, "they shall be one flesh." By reading and studying the story you will find that Adam and Hêwan (Biblical "Eve") as "one flesh" should have confronted Ibab (the serpent-man) instead of deciding individually. The "trick" was that Hêwan (Biblical "Eve") could eat of the "tree of the knowledge of good and evil" but Adam was told directly not to (Genesis 2:17). Hêwan (Biblical "Eve") made the decision to "eat" for both herself and her husband. Adam foolishly followed not having fore-thought to remember what was told him ONLY!

## Genesis chapter 2 verse 17

When Hêwan (Biblical "Eve") realized this she said, "The serpent beguiled (tricked) me and I did eat. (Genesis 2:13)" The whole plot was against Adam who showed more obedience (Genesis 3:17) to "voice" of his wife (his equal) than to his Creator (his superior) who re-formed (Genesis 2:7) him from his tribe, the Afars (the people of the dust). The whole point of the instructions and laws of the Creator is to maintain the natural universal laws and harmony in creation. Adam and Hêwan (Biblical "Eve") were "equals" (Genesis 1:26). One major lesson of the "garden" to be learnt is co-operation and shared responsibility. The other is that the "enemy's" (those who hate) major goal is to get us to act in "independency" of the Father. We see this all the time. Many people knowingly know the truth but continue to act "independent" of the Truth. They do this when they say, "I know that's true but I just don't feel like it." "What do I get out of it." "I'll do what's best for me." "Who cares what you think?" The list of sentences and phrases which describe the false "independency" urge are endless. Many of us have said them on one occasion or another. We must become more aware of ourselves and our actions and seek to do that which is according to the Will of the Tri-Unity.

In the case of the garden, the Tri-Unity was Adam, Hêwan (Biblical "Eve"), and **the Creator: Father-Mother Principle** who put both of them there. The Ibab (serpent-man) came as a test to the "unity" of the man (Adam), the Womb-Man/FEMALE (Hêwan) and **the Creator: Father-Mother Principle**. Adam wanted to please his wife and himself but ended up displeasing everyone with the exception of Ibab who achieved his goal of removing Adam from the "garden." But when Adam listened or "hearkened" (obeyed) the voice of his equal (his wife) above his superior (his Creator) he judged himself. This is the reason why Adam alone was first driven out of the Gennetêden (the garden of Eden) without his wife (Genesis 3:24). Since the major fault for

“Adam’s fall” was upon Adam’s head, it would become Adam’s responsibility to re-gain his former crown, headship and general “awareness of self” and the “responsibilities” which accompany being the “head.” Some mis-informed people of all “religious” persuasions glory and take great pride over “man” becoming the head of “woman” after “man’s fall” from his headship. Yet, if you study the scriptures with overstanding, you will overstand that there is more to “headship” than domination. Headship means being a good example and being one who is responsible. Those who were worthy of such a title of “headship”, those who knew themselves and respected the I AM THAT I AM (Exodus 3:14) were given the Ethiopic title of **Ras** which means “head; chief and self.” Refer to 1st Corinthians Chapter 11.

**According to the phrasing of the original Amar (Amharic) language**, the command given in Genesis 2:17 had nothing to do with Hêwan (Biblical “Eve”). In the original Amar (Amharic) it reads “ATBILA” (don’t you [male] eat) from the “Irsu” (him) tree. And if he did he was told “timota-lehinna” which means “for you [male] will die.” There was a “clause” which the Ibab (serpent-man) used to deceive Hêwan (Biblical “Eve”). This “clause” was the difference between “male” and “female.” Remember that the Ibab (serpent-man) was actually the anointed “Cherub” that covers the truth (EzekiËL 28:14) who was “full of wisdom” (EzekiËL 28:12) which means that he knew how to make one wise and how to make one “dumb.” In order to have t’ibeb which is wise-mind called “wisdom” (the art and science of wise-ing those who are dumb, deaf and blind). He being an “anointed Cherub” knew what was “good and evil” and obviously possessed this “knowledge.” However the Kadmon/Qedamawi couple, Proto-Adam (from Genesis 1) was created in the “FORM and after the PRO-VERB.” Therefore, originally They as One Androgynous couple were GOOD, it was through the re-arranging of the *spiritual Atoms* that “EVIL” (unkindness) came into recognition amongst the **Ad-Am, Red Earth people. The original Adam was a UNITED/AT-ONE-MAN-T(AO) couple while the re-formed Adam was an individual who lacked (was deficient) of his ELection/Female consort. Compare Genesis 1 and 2.**

**If Adam and Hêwan (Biblical “Eve”) were more co-operative and respectful to themselves and their Creator they would have attained this “knowledge” rightfully instead of by force, i.e. “miss-taking.”** This “mis-take” still plagues Humanity which “miss - takes” the lies of the Babylonians, the children of Ibab (the serpent-man) for the truth. By respecting yourself, you learn to keep the instructions of your Father, THE FIRST HAYLE SELASSIE and The LAW (Higg’) your Mother (refer to Proverbs 1:8), who is the Wise Emma known as “Wisma” in the Rastafari language known as Iyaric. Iyaric is the “patois” or “word, sound and power” of Rastafari expression which links back (religio) and *forward* into Ethiopian History and HIGH Culture. The Wise Emma is referred to as ‘Emma Hiyaw in Ethiopic (ancient Amharic) which means “the Mother of all Living (Genesis 3:20)” and is known in principle as “Sophia” in Creek. “Sophia” is means “the I am writes” from the word “Safhu” and “Zaf” meaning “tree” in Amharic. The kabbalistic doctrine of the “**Ain Sof**” (the Eye/I writes) deals with this in more details.

We must teach Ourselves and **Our Mothers, Wives, Daughters, Sisters and other “womb-men”** to re-gain their respect of their Ras (self) which is known as “Bal” or “husband” in Amar (Amharic) language. The word “Bal” means “house-band” or “Hus-band; the one who keeps the family banded together.” This is why the word for “family” in Ethiopic is “Bêteseb” or “the house of a man.” The word “house” in Amar (Amharic) language doesn’t mean “building.” The

word Bêt or Bey-yit (house) means everyone who comes under the "head" (Ras) of a particular man or "Bal" (Hus-band). Before the physical structures known as "homes" in the tradition sense were built, people lived by the principle of "bêteseb" (the house of a man). This is the reason why a "palace" is made with a "master's bedroom" which is separate from the "mistress' bedroom" also known as the "great wife's" living quarters. In most ancient "bêtesebochs" (homes of men), there were usually more than one wife which made it necessary for more than one palace or "house" to be built to accomidate the "family." The family unit was after "order" not personality. In other words, there was the "head" of the house, the "Ras" or "Gezhwa" (master) who was known as the "Bal" (Hus-band) and a "great wife" or Emmabêt (mother of the house). This Emmabêt (mother of the house) was usually not the "great wife" if the man was a young man. Usually this Emmabêt (mother of the house) was the man's mother or older female relative who assume the "headship" of all the womb-men of the "bêteseb" which included wives and domestics. The "great wife" who would be also be called Emmabêt (mother of the house) was generally the mother of all of the children of her household. If a man had more than one "wife" or meesit who had their own children, they were usually required to sleep in separate quarters or "tents" in earlier times and separate homes (bêtoch) in later times.

**Technically, the other wives besides the "great wife" were considered "concubines" in Christian Ethiopia** which defends the concept of **"one man, one wife."** Yes, polygamy existed and still exists in Ethiopia but the difference between Ethiopian marriages and the marriage tradition of other cultures such as the "Islamic" is said based on the morality. Yet in most so call "Mohammadan" cultures this principle of pairing has been exaggerated and the morality watered down to what is actually female-domination and abuse. The "law" of polygamy was introduced as a concession, not as a perfect law rather a REMEDIAL BY-LAW. THE TRUE LAW, HOWEVER, WHICH IS THE HIGHEST UNION IS IN MAN:MALE/FEMALE AS THE EXAMPLE OF HIS AND HER MAJESTIES, THE FIRST FAMILY OF ETHIOPIA. In Ethiopia a Womb-Man/FEMALE has much more freedom as to herself and her body within the True Christ-Man way of livity. For example, she who becomes a "wife" or "help-meet" keeps her own name when married and retains her own rank and status. Polygamy in Ethiopia was and is more a "cause" and "effect" rather than *a neurotic desire to possess "women" as a commodity.*

**In Christian Rome, and throughout the <sup>1</sup> European Christian world, the title "mistress" is wrongly applied to the other "Womb-Man/FEMALE" besides the "wife."** The word **Emmabêt (mother of the house) is also interpreted as "mistress" in Ethiopia.** The word "mistress" means "female master" which shows you who the European culture considers the "boss." It is European "white supremacist" racist and male chauvinistic lack of real roots and culture which cause the gender problem between the "sexes." If all involved took the time and made the effort to keep their own responsibility there wouldn't be so confusion amongst "men and women" today. The word "mistress" means "a woman in authority (as over a household, animal, institution); a kept woman" and was formerly the title of address. Recently, the use of "mistress" as a title or "address of respect" for woman in the west has been discontinued. My daughters, start respecting yourselves again by respecting each other. Call one another by names of respect in accordance with the rank and authority which one another projects and displays. If there are older womb-men whom you know are worthy of the respect, give it to them and don't hold it back. *How do you think the youth will learn to respect you if you can't respect your elders and your fathers and*

*mothers in principle and truth? Respect begins in the bêt (home) and spreads abroad.* You've got to start within and radiate this love and affection outward. May your TRUE light so shine.

The Ethiopian womb-ma must be respected again as a Mother, Wife, Daughter, Sister and "gift of the Creator" given to be a "help-mate" to Adam, the original re-formed Afar man. We don't call Our sisters "woe-men" because the "Womb-Man/FEMALE" is a gift not a threat or "woe" to a real Ethiopian "man" who knows himself.

2. The Ethiopian Womb-Emma (Wombma) must always be a help-meet (helper).
3. The Ethiopian Womb-Emma (Wombma) must always obey Her Bal (Hus-band; the one who keeps the family banded together).
4. The Ethiopian Womb-Emma (Wombma) must always have a good attitude.
5. The Ethiopian Womb-Emma (Wombma) must always keep Her home comfortable.
6. The Ethiopian Womb-Emma (Wombma) must always care for, nature and nurture Her children.
7. The Ethiopian Womb-Emma (Wombma) must always keep Her righteous and honourable.
8. The Ethiopian Womb-Emma (Wombma) must always be generous to the poor and needy.
9. The Ethiopian Womb-Emma (Wombma) must always be quiet when angry. She must always speak with gentle wise-mind.
10. The Ethiopian Womb-Emma (Wombma) must remember that she is a daughter of Ethiopia, the bride of the Lamb, THE FIRST HAYLE SELASSIE, the King of kings, the Conquering Lion of the Tribe of Judah.

**Dear inhabitants of the western world and the Americas, the spiritual "Sodom" and "Egypt" known as Ijeputa (Jupiter)** which jipped the original Ethiopic Race of its heritage by advertizing the faker slaver of the Hue-man race. We say to the world that the "blond-haired blue eyed" Je-zeus is a fraud and all who blindly follow the deciever will be cast into the lake of fire as the book of the Revealer, the Sealer, the St. Juan known as John fore-told in his scroll, the Book of Revelations. My dear readers, the book of Revelations is a must read in this time. We advise and counsel ones and ones to eat the book of life and come into the garden of the I AM THAT I AM (overstanding) and to stop all Rome-Antics of the beast-children of the cave man named Romulus and Remus who breast fed from their mother, the dog she-wolf Etruscan. Romulus and Remus are the original gemini twins who were born by the bolsterous acts of fornication of the cave-man and cave-woman in the Caucus (dead) Asian mountains of Eu-rop, the place where the righteous Ethiopian (Black) sons of Ethiopia roped them in to keep them from ascending the Hola (holy) mountain of Yah Rastafari, THE FIRST HAYLE SELASSIE, the Ancient of Days and the Pay-master of Creation.

**We the original prime people of creation denounce all acts of bolsterous fornication known as Beastiality and URO-MANO-isms which is sexual intercourse, if you please, between man and beast performed by the Caucus (dead) Asians (blacks) who were cursed because of their tribal-ism and rac-ist tendencies, if you please.** Their dis-eases have caused the death rate of Humanity to increase with every act of their bolsterous fornicative ways. We declare that only Morality and the cure of the Sun-God, the son of the Source, Yah Rastafari, the greater David mentioned in the book of Malachi chapter 4 verse 2 will bring peace and longevity to the sons and daughters of THE FIRST HAYLE SELASSIE.

**We, the sons and daughters of King Alpha and Queen Omega, THE FIRST HAYLE SELASSIE and Empress Menen (Woletta Giyorgis), have no pardon to beg from the down-pressor who has faked all Christianity, Islam and Juda-ism.** H. M. Rastafari and all black heart warriors are now in the valley of decision called Jehoshaphat in this day and time, if you please. The Pope of Rome known biblically as "the beast" has been given the number "666" and the name of "de-evil" because they are the anti-christ messengers of Satana whose cause is to pervert the integrity of Ethiopia and the sons and daughters of Negus which is an Amharic (Amharic) word, if you please, which means "Kingly ruler." We are the sons and daughters of the **Neguse Negastu**, if you please, which is also an Amharic (Amharic) word which is translated in this word-sound (English) to mean "King of kings" and "Emperor." If you are black you must defend your Emperor the King of kings and your Empress the Queen of queens, your Mother and Father and Ethiopia, your Peace in the world. My people, please stop all your blind ways and ignorant rome-antics (romantic) fornication and come into the light of your King H. M. Rastafari, the Everlasting source and Everlasting king who was crowned with the Trinity Crown of the Mind, Body and Soul because He who is H.I.M. is the All-Wise and the All-Knowing God, if you please. The Ethiopian (Black) man and "wo-man" who will not humble to their God will die in the belly of the Beast. There is no two ways about it. You cannot serve the Omnipotent King Alpha, Yah Rastafari who is THE FIRST HAYLE SELASSIE and serve (spiritual) idleness. You must stand up, and be counted amongst the King of kings Host warriors and carry the sword of truth in your mouth. You must not be afraid of the beast men because they are abominable and filthy because they have no love. They brought you here and you worked for them for no pay and now you are so silly that you work for them for "slave" wages. Where is your higher sense, my people? How can you work for the Beast for "slave" wages and call yourself free? What does your free-dom mean? It means in simple language, if you please, that you are free to be dumb, deaf and blind. You are living in Hell and you think that its Heaven because you have been robbed and raped of your Ethiopian language, history and culture. They teach your children about that racist pig who murdered the American Indians named Christopher Columbus. They say that he discovered America. What a lie! Look and see that the so-called American Indians, who are not from India, if you please, were living in America and the Caribbean in peace and harmony long before the Spaniard came and taught them the faked Christianity of the White Supremacist Jah-Zeus god of all black idleness which makes people vegetate as they look up into Rastafari heavens and deny the Black King of kings and Queen of queens known as Ethiopians, if you please.

**Didn't we give ourselves, mind, body and soul to the down-pressor and lying christ for 400 years? 1492-1892. 1530-1930. 1600-2000.** Why did we give up the King Alpha and Queen Omega and pick up Pope Peter and Paul? Aren't you disgusted with being second class in your own school? What can white supremacy teach us except lies and deceit. We don't want to walk in darkness now that we see that THE FIRST HAYLE SELASSIE, the King of kings and the Conquering Lion of the Tribe of Judah has prevailed to open the book and to loose the seven seals of creation in this generation. **What will you do?** What will you say when the King of kings reveals His righteous wrath and judgment on all wickedness and folly in this time. Do you think that a sky god can save you? Do you trust in the space shuttle and the astro-nuts? What are they trying to do in outer space except create a virtual reality illusion of their faked Jah-Zeus, the White Supremacist Massah which your lying black preacher and faked pastor calls your God? Wake up Ethiopians (black) people! Arise and Shine! Your King is your God and He who is H.I.M. rules

in His hola (holy) mountains known as Zion which is Ethiopia. We must reclaim the culture of Heaven, which is the Ethiopian culture, language and our story. We don't want to hear the White Supremacist racist lies which cause I and I to hate one another in the name of the dole and the dollar. Fire burn to all their dis-eases and their threats of nuclear war. They will destroy and annihilate themselves with their toys and weapons of mass massacre and war. The only ones who will survive are they who know, respect and love King Alpha and Queen Omega. Woe be unto the black man who is a liar against his king and his god! Woe be unto the black woman who sells herself after vanity and her body to white supremacist rapers! Woe be unto all "men" who sexualize "men" in order to breed confusion on H.M. Rastafari's good earth. *Peace Be Upon Ethiopia and all those who love, honour and respect King Alpha (A) and Queen Omega (Ω).*  
**SELAMinistry: Ethiopian Womb-Man's Education (EWE)**

An Ethiopian Womb-Man's Education is an elite re-generating of the minds, body and soul. The Emmabêt (Mistress; Lady master) of her home and the matters pertaining to her family. **She must know:**

1. **How to read, write and fluently speak the Amar (Amharic) language**, the expression of love. She must know the Holy writ, the H.I.M. The First Haile Selassie Holy Bible and all the laws and sciences pertaining to Her self. She must know how to pray properly in order to be a faithful, strong and respected role model to Herself and others. This enables Her to have no fear of the future.
2. **How to prepare/cook I-Tal or "totally vital" foods** which re-new, re-vitalizes and cures Her family and Her self. She must know about all herbs, root medicines and cures.
3. **How to BE Her mate's "help-meet" and assistant.** She must know how to please and accept pleasure from Her mate. This means knowing and practicing the ancient arts and sciences of love creating and maintaining harmony within Herself and Her household. As a "help-meet" she cleans, cooks, comforts and cures.
4. **How to correctly teach and educate Herself and Her children in the Instruction of Fatherhood and the Law of Motherhood principles.**
5. **How to use Her hands to work creatively and constructively.** (Proverbs 31: 13, 19, 20, 23, 24) She must always speak as a Wise Emma (Wise Emma [mother]; wisma) with wise and kind words. She uses Her time constructively and is not a worshipper of "idleness." She must always look after Her families needs and work.
6. **How to be Economic.** She must know how to manage a Household, a Business, Money and other such matters. She must know how to balance financial matters wisely and intelligently.
7. **How to choose and prepare a proper husband and mate for Herself and father for Her children.** She must learn what are the real requirements in choosing and accepting a mate/Man.

**What Our Children must be taught**

There are many valuable teachings from ourselves that we must teach our children. Most of these things we ourselves must learn again. This time we must consult our source: OUR LANGUAGE, HISTORY AND CULTURE!

This is no easy task. NO EASY WALK! Yet, step by step, side by side, we will overcome! However what gives us the strength and clear vision to reach our goal and living and "be"ing what we claim to be and teach. Children, as well as most of us, learn by examples. We must be our children's examples. In our language (Amharic) the word for "examples" is misalê which is also the word for "proverbs." In the Bible there is a book of King Solomon called "the book of Proverbs." This book is a book of examples and wise sayings from the time of King Solomon (c.950 b.c.) which teaching valuable lessons of life. These lessons are not "old" or "modern." They are simply real. The reality of life is the same today as it was yesterday as it will be tomorrow. You can say that these lessons are "eternal" or "to the world's without end." The divine wisma (wisdom) are applied to the earthly or "carnal" conditions of the people of Yah. The Proverbs are said to be Solomon's or "of Solomon" because they were current in usage amongst the people of his time and before. This book is valuable for study and meditation for all people whether young or elder. As a parent it becomes necessary to become acquainted with the basic "science" or laws of the Wise-mind (Wisma) of the Spirit.

The book of Proverbs can be divided into six parts according to the Scofield Reference Bible's King James version (1611 a.d.). The first division (Chapters 1 to 7) is for sons and refers to "Wisdom" who is described in motherly and feminine terms. This book is good to be read for pregnant mothers and mothers of young sons. In order to better overstand the "sense" of what is being said, the Good News Bible which gives a more up to date "interpretation" of the word can be used. The Good News Bible has a few good points about it, namely clarity, but as for "accuracy", the King James version is recommended until one has better learned the Amar (Amharic) language in order to real the word of power in the Lamb's Book, H.I.M. Haile Selassie I Bible.

Certain parts of *the King's Book, H.I.M.'s Bible, The Book of The Seven Seals, The 1961 Authorized Amharic Bible* has been and will be translated and interpreted into clear and easy to overstand English by our brethren, Kahin-Ras IADONIS (IHS). As time goes on and more of our young **Rastafari Mi'minan (faithful ones)** have learned to read, write and fluently speak their language (Amharic), the need for more effort in these matters cannot be overstressed.

**WE MUST KNOW AMARIC (AMHARIC)! ALL OF US MUST BE ABLE TO READ AND OVERSTAND THE WORDS OF H.I.M. AS H.I.M. GIVE IT, IN THE AMAR LANGUAGE, THE LANGUAGE OF LOVE!**

The remaining portions of the book of Proverbs can be summarized as:

- Chapters 8 to 9: The praise of the Wise Emma (Wisma)
- Chapters 10 to 19: The folly of sin
- Chapters 20 to 29: Warnings and Instructions
- Chapter 30: The words of Agur
- Chapter 31: The words of King LemuËl's Emma (Mother)

Chapter thirty-one is vital for the Ethiopian Womb-ma. This single chapter explains what one wise Emma taught unto her son about a virtuous womb-ma. This chapter is the foundation of the **Sisterhood Educational Learning And Advancemant Ministry (SELAM)**, New daughters of Ethiopia movemant of **Adisitu Iyerusalêm (AI)**. Read and study it carefully.

**Wencê** means "my male" or "+" electronic energy and **Sêtê** means "my female" (my wo-man) which is "-" electronic enegy. When we use the term "negative" (-) we are refering to the

scientific reasoning of a "lower electronic charge" or as the Koran say that "man is one degree above the woman." (Verses ?) That one degree is the "+" or wendê charge which is the same as the principle of "hot" and "dry" as opposite sêtê which is "cool" and "moist." Man is "hot" and **Womb Ma** (so called "wo-man") is "cool." In oriental terms this is called "yang" and "yin", the principles of the Tao Great which means "the great cross" or big "T." In Amharic (also known as "Amharic" to the Europeans) the Tao is the letter "Tawê" which meant "my T" (mighty) and "my cross." The word for "cross" in Amharic (Amharic) is mesqel.

**Wendê (+ energy)** is active; it gathers and takes in. The **af (mouth)** is the body's centre and the pivot of its functions. We control our lives by way of controlling our eating, breathing and most importantly our talking. By the **af (mouth)** we exercise our free-ness, consciousness and the perfect ion. Circulatory, digestive and respiratory systems all gather at the region of the **af (mouth)**. This region has the most **wendê (+ energy)** and is also known as the "tightest place in the body." From the mouth we are able to eat and breathe and perform the "movement" of speech or "talking."

### The equality of "male" and "female"

In the Amharic (Amharic) language, the words for "male" and "female" are wend and sêt. This is what is found written in the Book of the Seven Seals, the H.I.M. Haile Selassie I Bible revealed at the true opening of the Seven Seals in 1960/ 61 a.d. The making or "creating" of Humanity was along the principles of the union of wend (male) and sêt (female) in the "image" and after the "likeness" of the ÊLohim, a Hebrew title for "deities" or "gods" which by its nature implies "trinity." In the very first book which Musê (Moses) wrote we read that:

### GENESIS CHAPTER 1 VERSE 26

The major reason why there are so many problems in the world today is due to this misunderstanding of the divine unity and innate tri-unity amongst "males" and "females" today. The so-called "males" of the world believe themselves to be "gods" and the "sons of God" while the "females" are subjugated by unfounded religious and "social" standards of the "White Supremacist" cult to think of themselves as the "woe" of "man"; from this comes the word "woman." This western cult which is falsely believed to be a "culture" has forgotten that the Ethiopian (Black) Madonna is known as the "Mother of all living" (Genesis ?) and the "Mother of all nations" (Genesis ?).

The very name of the first book of the Hebrew and Christian Bible is called "Genesis" which means "the Genealogy of I-sis." I-sis was the Ethiopian Mother-Goddess of Egypt whose name in the Metu Neter (the language of the Egyptian Copts) was Auset which links to the Ethiopian word sêt, which is Amharic (Amharic) for "womanly; female." Actually there is no word for "female" which means to "feel like a male." This word (female) along with lad-y, wo-man, s-he, and he-r are all derived from words meaning "male." So in essence, when you say "I am a female" you are actually saying that you "feel like a male." Think about it.

Are wend (male) and sêt (female) similar or different? Well, if we look at the words wend and sêt we will see no similarities in the Amharic (Amharic) language like we do in the English with

“male” and “fe-male.” This means that according to the Creator of Ethiopia, wer d (male) and sêt (female) are one (Genesis 1:26) or becomes united (Genesis ?) but possess different degrees of strengths and weaknesses. When they “unite” they combine these strengths and weaknesses and produces the third member of the Triune (Trinity) which is the child. In the bible this is commanded “male” and “female”, the original post-creation Hue-manity in the saying “Be fruitful and multiply.” (Genesis ?)

**What is Algebra?** Algebra is the science or a’emmro (overstanding) which the messenger angelic being known as Gebre’ÊL/ Gabriel used to complete his task of annunciation to the Virgin Mâryâm (Mary). Luke ? By the multiplication and division, the adding and subtracting was the Hueman family created. In this sense does the sciences of Algebra truly apply. The X represents the “female chromosome” and the Y represents the “male.” Together the form in the body of the embryo the new born infant that continues the process of life. It was through the divine science of Algebra that the messenger angelic being named Gebre’ÊL “announced” the coming of the Saviour named Yesus Kristus (Je-sus the Christ) to the Virgin Mâryâm (Mary) in 6 a.d.

The same basic process of ÊL’s Gebre (The Work of Power) occurred before with all the births of the divine masters and sages until the complete one, the perfect divinity in trinity, H.I.M. Haile Selassie I was born as LIJ TAFARI “*son of man*”, the Child of Huemanity. **Babylon and the western cult in general chooses to ignore these facts which all TRUE life is based upon.**

ÊL is a Hebrew word, name and title which means “The Strong One; The Power” and is from the Ethiopic word Xêla which means “to become well; strong.” In the Amharic (Amharic) language it is read as “Hayl” and “Haile” which is translated to mean “Power of”, “Strength of” and “Might of.” This is attached as a prefix to another Ethiopic word to give it a fuller meaning such as “Haile Selassie I” which is the new name of “Christ in His Kingly character” (Revelations ?) and means “The 1st Power of the Tri-Unity.” Many of the names of the ancients are based on the Ethiopic Xêla (becoming well; strong, power) and can be identified in the Bible as the names which end or begin with “El” as in the names “IsraÊL”, “IshmaÊL” and ÊLiyah (Elijah). It should be noted that the placement of the “divine” prefix (El) at the beginning of the name indicates divine origins. For example when the name “Johnson” is said we know that someone was called the “son of John” like when one says in Hebrew, the son of man. On the other hand when you say John’s this or John’s that it equals possession or that this thing is from “John.”

The Ethiopian ruler named Makeda of Sabo (Saba), a tribe of the Sabeans (Genesis ?) and referred to as “the Queen of Sheba” (1st Kings 10:1-13) and “the Queen of the South” (Matthew 12: 42) gave birth to the “man-child” (Revelations 12:5), the firstborn son of King Solomon of Jerusalem who was the King of IsraÊL. This child who grew into a man was her only son who was named by her Bayna Lehem, Ibn Hakim (Son of the Wise) and “Dawit II” which means “the Beloved.” He was to become the first Solomonic King from the “House of David” to sit upon the “throne of David”, his grandfather, when the Kingdom of David was renewed in Ethiopia, the New Jerusalem (City of Peace). Upon his ascension to the Royal Throne of the Beloved (King Dawit), the son of the Queen of Sheba and the King of IsraÊL took on the name of Menelik the 1st which means “*Who can measure Him?*” and “*Who is like Him?*” in the Ethiopic language.

When Today the capital of the Ethiopian Empire is known as “Addis Abeba” (New Flower) and

the Chief City. (Psalm 48) WE HELP BUILD THE KRISTOL HAYL (CRYSTAL) CITY!!!
