

DO NO 1 TAFARI MAN 7

THE VOICE OF THE PRECEPT — IKAEL TAFARI

We beg your indulgence as you join us today, and ask that you pick up your Bible, and go on a trek through the Holy Scriptures.

The passage which we will endeavour to envisage, is one which took 34 year-old Ikael Tafari, a former Harrisonian who now holds a Bachelor of Science (BSc) Degree in Sociology, gained after three years study at the Mona Campus of The University of the West Indies in Jamaica where he has lived for the past 15 years, close to 10 years to digest.

It contributes overwhelmingly to the Rastafari way of life the devout spiritualist now entertains, and its prophetic sequence bears much relevance to the current world trauma, so that in effect it is scintillatingly topical and enlightening.

We now introduce you to the narrative voice of Ikael Tafari... one of the leading vocal organs of the "House of the Nyahbinghi".

CHRIST IN HIS KINGLY CHARACTER

Prophecy culminates with the final revelation of the Christ in his kingly character ... the Lion of Judah, Lord of Lords and King of Kings, Haile Selassie I.

However, Christian orthodoxy has disembowelled the historical guts of the reality of Christ, by spiritualizing the throne of David, saying that he is up in the sky. They anticipate some illusionary vision coming out of the sky, when in fact God's throne is as definite a historical reality as the throne of Caesar in Rome. Furthermore, it confusedly speaks of a "second" coming, while the Bible actually reveals two subsequent appearances of the Christ on the Earth before the end of the current age: one to gather his saints together, and the other when he will judge the earth.

References to the first subsequent advent, are given in Psalms 50:3, John 14:3 and 1 Thessalonians 4:14 to 17. This is to be distinguished from his final return in glory, when he will sit on the throne of judgement, to sentence all nations. At this final appearance, it is said that every eye shall see him, but with relevance to the first rapture, only his saints shall be aware.

So, since that it has been established that Christ will again make appearances on this earth, how are we to know him? What are the main points by which we can identify the historic Christ?

Acts 2:29 to 30, records in similar manner to Revelation 5:5, that the Christ will come in the line of David according to the flesh, in harmony with Psalms 89, Christ must come out of the family line of David.

Secondly, he must come out of the tribe of Judah. Hebrews 7:14.

Thirdly, he has to be born in the land of Ethiopia. This is emphasized in Psalms 87:4 to 6.

Fourthly, how shall we recognise the throne of David? Psalms 122 says it is a throne of judgment, and this is symbolically portrayed in Revelation 4:3 by having the rainbow circle around it ... only one throne room in the world carries the rainbow-circle ensigned around it, that is that of Ethiopia.

You can use it in any class you have to teach about RASTAFARI. Get photo copies and pass them on to friends etc.

RASTAFARI

Lastly, Revelation 2:17, 3:12 and 19:12, repeatedly stresses that when he returns he will have a new name, and this new name signifies a different historical mission and character. In this advent it is not the carpenter but the King, not the lamb, but the Lion, not the Saviour but the frowning Judge which is the uppermost aspect of the man.

To seal this, Malachi 1:14, and Psalms 99:2 and 3, declare that this new name RASTAFARI shall be dreadful and terrible to the heathen.

THE ABOMINATION OF DESOLATION

Let's now turn to Matthew 24:3, where the disciples asked Christ what would be the sign of his coming, the end of the present 2000 year dispensation.

Christ identified many symptoms, which have already occurred in our age... wars and rumours of wars, famines, pestilences and earthquakes.

But these he said are but the beginning of sorrows. The crucial event which marks the climax of all those things is quoted in Matthew 24:15: "When ye therefore shall see, 'the abomination of desolation', spoken of by Daniel the prophet, stand in the holy place (whoso readeth let him understand) ... then shall be great tribulation such as was not since the beginning of the world to this time, no, nor ever shall be."

This period of the great tribulation is identical with the time of trouble spoken of by the prophet Jeremiah ... (Jeremiah 30:7)

The expression 'abomination of desolation' occurs three times in the book of Daniel. In Daniel 9:27 and 12:11, the reference is to the Beast, the Anti-Christ of 2 Thessalonians 2:3 and 4, and is identical with Matthew 24:15.

RASTAFARI
HANAKA }
In Daniel 11:31, the reference is to the historical act of Antiochus Epiphanes, the one who foreshadowed the Beast of our era, who entered the Holy of Holies of the Temple at Jerusalem on the 25th of December B.C. 168 and sacrificed a sow on the altar, compelling the priests and the people to eat swine flesh.

These two references have caused some confusion to modern day interpretation of this prophecy to the extent that they are looking narrowly for an exact repetition of history involving the desecration of an actual physical temple, and since no temple has been rebuilt, even otherwise enlightened commentators such as Hal Lindsay, in his book "The Late Great Planet Earth", assume that we have not yet reached the point in time where this event can be fulfilled.

However, between the dispensation of Antiochus, and the current age, a significant progression in the revelation of God to man took place - the whole fact of Christ whose final significance rests in the revelation that man is the temple of God. This is the veil of the temple that was rent.

In our time therefore, the emphasis has shifted from the physical stone temple, to the spirit of true worship which dwells in the heart of man.

THE REVIVAL OF THE ROMAN EMPIRE

Daniel 9:27 is therefore the cornerstone for the understanding of the final events of the period of world history known in Bible prophecy as the time of the Gentiles - i.e., the present period of world domination by the white race. And the key word is the covenant that shall be made between Israel and her ancient enemies (Egypt and Rome/America).

"and after three score and two weeks, shall Messiah be cut off, but not for himself ... and the people of the prince that shall come (Rome), shall destroy the City and the sanctuary, and the end thereof shall be with a flood, and unto the end of the war, desolations are determined. (26)

And he shall confirm the covenant with many for one week ... and in the midst of the week, he shall cause the sacrifice and the oblation to cease, and for the overspreading of abomination he shall make it desolate, even until the consumation, and that determined shall be poured upon the desolate." (27).

The Beast, the historical personage of this era, whom Antiochus foreshadowed, is identified for us all in Daniel 7.

There we learn that the first head of the World Empires, which began the period of ascendancy of the white race, was Babylon of Chaldea (626 to 561 B.C.), followed by the World Empires of Media/Persia (550 B.C. to 323 B.C.), Greece, the Federal Republic of Germany, France, Denmark and Belgium.

Which nation is more eminent to fulfill this portion of prophecy than the United States of America? The U.S. is just 200 years, a mere baby in terms of world history when compared to the British and French.

Daniel envisions this young "Dennis the Menace" rooting up the earlier supremacy of the three kingdoms - ("before whom there were three of the first horns plucked up by the roots") Britain, France and West Germany, and establishing full leadership and dominion.

THE BEAST WITH THE DEADLY WOUND

Revelation 13:3 adds sharper detail that brings this world historical figure into focus: fragments of the ancient Roman Empire have never ceased to exist as separate kingdoms. It was the unification which ceased - "the one head wounded to death". What we have prophetically in Revelation 13:3 is the resurrection of imperial Rome, over a Federated Empire of ten Kingdoms, "the head is healed". The full ascendancy of America over the Roman Empire in its modern form, was symbolized recently when His Holiness, Pope Paul II visited the United States in 1979 ... the first time in world history that a Papal head has ever left his home to visit America.

This is a dramatic fulfillment of Revelation 13:2, where it is said that the dragon gave him (that is to say the Beast), his power, and his seat of great authority.

Such a symbolic and unstated transfer of supreme power was of course prompted by the sudden collapse of two papal heads in swift succession in 1978. On another level again, the "wounding to death" of the Revelation prophecy was dramatized recently by the two assassination attempts upon the two big heads in Rome - "and the deadly wound was healed." The recovery of both the Pope and the U.S. President from gunshot wounds last year lends an aura of psychological invincibility:-

"And all the world wondered after the Beast, and they worshipped the dragon which gave power unto the Beast, and they worshipped the Beast, saying who is like unto the Beast; who is able to make war with him".

Cut down at the zenith of her world power in the Kennedy era, passing through the 'death blow' of defeat in Vietnam, and the purgatory of Watergate, America re-emerged from this dark passage, with the moral healing balm of President Carter, whose cloak of peace was finally rent by the rise of the present administration.

In terms of omens, it is worth noting, that in his book "The Exorcist", William Blatty portrays the demonic anti-christ as the daughter of a movie star, whose name is Reagan.

Daniel 11.38 describes the beast thus: "But in his estate shall he honour the god of forces (i.e. military forces) and ... a god whom his fathers knew not shall he honour with gold and silver, and with precious stones and pleasant (worldly) things. Thus shall he do in the most strong holds with a strange God, whom he shall acknowledge and increase with glory".

This strange new god which none of the other earlier world empires knew of is the movie world with its central shrine in Hollywood. The flirtation with this world with its central shrine in Hollywood. The flirtation with this world which began with Kennedy has come now to a full circle.

Newsweek magazine devoted a special edition recently to pay homage to the shrine captioned "How Hollywood Rules the World".

ISRAEL'S FALSE COVENANT

This world power is described by Daniel as the main architect of a peace covenant between Israel and her two enemies - Egypt and Rome.

The confirming of this covenant is in fact the signal in Bible prophecy for the countdown of the last seven years of Gentile world dominion, and the end of the present age. (Referred to in Daniel as the last of the seventy weeks).

Careful examination of history reveals that these weeks are seven years each (weeks of years). In the Schofield edited version of the Holy Bible, he points out that these seventy weeks are divided into seven - 49 years, sixty-two - 434 years, and one - 7 years. In the seven weeks, Jerusalem was to be rebuilt, "in troublous times". This was fulfilled as Ezra and Nehemiah record. Sixty-two weeks (434 yrs) thereafter, Messiah was to come. This was fulfilled in the birth and manifestation of Jesus Christ. Verse 26 is an indeterminate period. The date of the crucifixion is not fixed, it is only said to be after the three-score and two (62) weeks.

The second event is the destruction of the City and Temple of Jerusalem which was fulfilled in A.D. 70 by the Emperor Titus of Rome. Then unto the end is a period not fixed but which has already lasted nearly 2000 years.

The New Testament reveals that which was hidden from the Old Testament prophets, that during this period should be accomplished the mysteries of the Kingdom of Heaven, and the gathering of the true church.

Verse 27 shows that after the confirming of the covenant of peace for seven years, during this same time, he, the Beast, shall break the covenant. Prophetically, Psalms 55:20 and 21 ... 'He hath put forth his hand against such as be at peace with him. He hath broken his covenant. The words of his mouth were smoother than butter, but war was in his heart'. Then shall fulfill the abomination. (Daniel 12:11; 2 Thessalonians 2:3 and 4).

The last three and one-half years of this seven-year covenant period, is identical to the great tribulation and the hour of temptation of Revelation 3:10.

It is my contention that if we telescope all these prophecies, they will come to bear and focus on September 5, 1975, just seven days after the "taking away of the daily sacrifice" - Haile Selassie I, High Priest after the Order of Melchisedec. (2 Thessalonians 2:7 and Daniel 12:11).

On that date, America, Egypt and Israel confirmed the Sinai covenant.

The symbolism of the title "Sinai Covenant" is crucial, for it was on Mount Sinai that Jah first wedded Israel as his people, through the ten commandments given to Moses - this is the true Sinai covenant.

Thousands of years ago, Isaiah (20:14) had already warned us that in the last days "scornful men that rule this people which is in Jerusalem" would make their covenant with "death and hell", so that when the overflowing scourge (i.e. World War Three) shall pass through it shall not come nigh unto us".

Yet the prophet reminds us that Jah had already laid in Zion for a foundation, a precious cornerstone, cut without hands, the conquering Lion of the tribe of Judah.

But all the days of his earthly reign, Haile Selassie as the root of David, was ignored by these "scornful men". Yet within one week of his being taken away from the sight of men, they found it in their power to make their covenant with Rome and Egypt.

Verse 18 tells us what they shall reap: "And your covenant with death shall be disannulled, and your agreement with hell shall not stand. And when the overflowing scourge shall pass through, ye shall be trodden down by it". (Isaiah 28:14 to 18)

Now this covenant was (confirmed) strengthened on March 26th, 1979, by the hands of former U.S. President Jimmy Carter at Camp David, exactly three and one-half years described variously by Daniel as the end time, and as "time, times and the dividing of times".

THE MARK OF THE BEAST IS THE COVENANT OF LIFE

This seven-year interval therefore, the Kings Sabbath, is the interim period of grace between the first appearance of Christ in his Kingly character to gather his saints, and his final appearance to judge the nations.

It is a time of final contrast ... between those who have the mark of the Beast, and those who have the seal of the saints; between those who bear the false witness that Haile Selassie is dead, and those who are the true witnesses that He lives. Between the false covenant which shall be broken, and the unbreakable covenant of life symbolized in this dispensation by the dreadlock.

Psalms 50 says "our God shall come and shall not keep silent. A fire shall devour before him, and it shall be very tempestuous round about him ...
"Gather my saints together, them that have made a covenant with me by sacrifice"

Numbers 6 tells us of the Nazarite covenant which reveals that our hair is the glory of our countenance, for we are created in the express image of Him, and Daniel 7:9 tells us that when the ancient of days, The Almighty did sit in his judgment, his head will be "as pure wool" (matted hair).

But Rome fashion tools such as scissors and combs to rake down the covenant of God and the consecration which is upon our head, changing our glory into shame in their talk of civilization.

But in the words of our prophet Marcus Garvey "A tree without roots must die".

Wherever we see this dreadlock covenant, we remember the eternal power and Godhead - Romans 1:20. For the saints we are told in Revelation 14, have their Father's name written in the forefront of their head. Wherever in the world the Rastaman's locks are seen the name that comes crashing forth is Rastafari, but the mark of the Beast is the destroying of this symbol of life. This mark shows up most plainly in the case of the Police and the soldier, the two most prominent organs of the Beast, the God of war.

Concerning the image of the Beast, all the great beasts have their images stamped on the money. Concerning the number of the Beast, Revelation 13 reveals that he has two faces ... church and state.

The first Beast out of the sea is the political power, the second, out of the earth, is the ecclesiastical power of all the churches of christendom headed up under the papacy.

~~"Here is wisdom, let him that hath understanding count the number of the Beast, for it is the number of a man, and his number is six hundred, three score and six" ... 666.~~

A simple exercise in calculation would be able to verify that the title worn by all Popes (Vicarius Filii Dei) literally "he who stands in place of the Christ" contains certain Roman numerals VI is six, C is 100, and L is 50 and D is 500, which eventually add up to 666.

With regard to the question of the covenant, it is important to understand that history records that the Ark of the Covenant, symbolic of the indwelling presence of the Almighty God in the midst of Israel, is presently located in the St. Mary of Zion Cathedral in the Holy of Holies in Axum, the ancient ecclesiastical capital of Ethiopia, where the priests still dance before the Ark as they danced in the time of David. How did it get there?

Plainly when the invading Babylonian hosts pounced on Jerusalem under Nebuchadnezzar, they did not destroy the Ark. Herodotus lies a crucial hidden fragment of history. In the Kebra Negast, interpreted "the glory of Kings", which chronicles the line of Kings that succeeded David through the union of Solomon and the Queen of Sheba upon the throne of Ethiopia, history records that Makeda, one of whose titles was the Queen of Sheba, was in fact the Virgin Queen of Ethiopia. As the scriptures record, in the Songs of Solomon, she was "black and comely". She visited King Solomon but in the version recorded in the Book of Kings, in her own words "the half has not been told". The Kebra Negast reveals that Solomon had a prophetic vision concerning this son of his,

born out of the black woman's line. In this vision, Solomon forewarned that the glory of his son would depart from Jerusalem and dwell over the land of Ethiopia, thus he selected the foremost sons of the Levitical priests and sent them to accompany Menelik (or Ben-Melech, son of the King), on his return to Ethiopia to set up his throne to worship the living God of Israel.

History records that they took with them the Ark of the Covenant, containing the tablets of the covenant given to Moses by God on Mount Sinai. Hence the words of Isaiah 28: "behold I lay in Zion a precious cornerstone" - the line of David from that time has its full historical destiny and force in the Royal line of Ethiopia: Haile Selassie is the 225th of that Royal line.

We have therefore at the close of this dispensation, a sharp confrontation between two traditions - East and West - Rome and Ethiopia.

One with a true covenant and one with a false. One carrying the seal of the saints, and the other the mark of the Beast.

THE GOLDEN CANDLESTICKS

Finally we have the two witnesses of Revelation 11. The period of their ministry is the same last half of Daniel's week, 1260 days, or the forty-two months of Revelation.

The background to their ministry is the trodding underfoot of the Holy City - New Jerusalem, Ethiopia, and the casting down of His Majesty's throne. This was forevisioned by David in the spirit, in Psalms 89. During this period when Ethiopia shall be in pangs of travail, I and I, the two true witnesses, continue to bear witness and to offer daily intercession. The ministry of these two carries the testimony of fire to cleanse and purify ... these are the golden candlesticks. ~~And at the closing of the week, the beast shall martyr them.~~

~~For three and one-half days the witness of Jehovah shall be fallen in the street, but Jehovah shall not suffer them to be buried; and Death shall sit supreme in the Holy Temples of our God. This finally is the abomination of desolation. But they shall gain the victory over death. This is the first signal that Haile Selassie lives, and the trigger to draw all nations to Palestine for the battle of Armageddon.~~

Daniel 11:40 gives us the account "Finale" of the "Time of the end". "And at the time of the end, shall the King of the South (Egypt) push at him, (i.e. Israel the proxy of the Beast), and the King of the North (Syria, the proxy of Russia, called Gog in the scripture) shall come up against him like a whirlwind with chariots and with horsemen and with many ships, and he (the Beast) shall enter into the countries and shall overflow and pass over. He shall enter also into the glorious land, Africa, and many countries shall be overthrown ... he shall stretch forth his hand also upon the countries and the land of Egypt shall not escape. But he shall have power over the treasures of gold and silver, and over all the precious things of Egypt. And the Libyans, and the Ethiopians shall be at his steps (i.e. in close pursuit).

But tidings out of the East (China mobilizing) and out of the North, (Gog and Magog ... Russia and the Eastern European block) shall trouble him.

15
—
*

Therefore he shall go forth with great fury to destroy ... and he shall plant the tabernacles of his palace between the seas in the glorious Holy mountain (Jerusalem) yet he shall come to his end and none shall help him".

The WORDS of Daniel of that time ... "there shall be a time of trouble such as never was since there was a nation, even to that time, and at that time thy people shall be delivered. Everyone that is written in the lambs book of life" - the redemption and repatriation of black people (Israel) to their own land, Africa.

Zachariah 14 tells us of that earth-shaking moment in history when Haile Selassie I shall appear in Jerusalem, "then shall the Lord go forth to fight as he fought in the day of battle" (against Mussolini and Hitler).

"And this shall be the plague that Jah shalt smite all the nations that have fought against Jerusalem ... their flesh shall consume away, while are standing upon their feet, and their eyes shall consume away in their holes, and their tongues shall consume away in their mouths": - nuclear radiation, the devastating effects of the neutron bomb.

IKMEL concludes:

The words of this message concerning the seventh year of His Majesty's Holy Sabbath, and the acceptable year 1983 when Haile Selassie I predicts that all of Africa must be free, are the fruit of fasting and prayer and the inspiration of the older patriarch in the house of the angels our beloved brethren Ras Boanergos - interpretation - "Sons of thunder". Mark 3:17.

"Be patient therefore brethren, unto the coming of Jah, behold the husbandman waiteth for the precious fruit of the Earth and hath long patience for it until he reapeth the harvest".

Be ye also patient, establish your hearts for the coming of the Lord draweth nigh. Glory to word, glory to sound, and glory to the power of the Most High JAH RAS TAFARI. Amen.

HEAD OF FDA CAUGHT; FLEES COUNTRY TO AVOID TESTIFYING BEFORE CONGRESS!!!

THE COST OF MEDICAL QUACKERY EXCEEDS THE NATIONAL DEBT!!!

MEDICARE AND MEDICAID PAYMENTS FOR MEDICAL QUACKERY ARE ENOUGH TO PAY OFF THE NATIONAL DEBT, BALANCE THE BUDGET, AND ABOLISH THE INCOME TAX.

ADDITIONAL

Doctors wrote 12 million antibiotic prescriptions in a single year for colds and other viruses against which antibiotics are worthless. Antibiotics are totally worthless against any virus. Worse than that, antibiotics damage the body's immune system, thereby supporting the enemy; in the military, giving aid to the enemy is called treason. **The immune system is the body's only defense against a virus;** yet over 50% of antibiotics prescribed are for viruses. *This is medical quackery at its worst!!!*

About 40% of the time antibiotics are prescribed; the antibiotic actually fights the disease or infection but is simultaneously damaging the immune system. In most of these cases **the damage done to the immune system is greater than the damage done to the disease.**

This information was obtained from the Physician's Desk Reference (PDR) and was provided by the drug companies that make the drugs, as required by law; it is their own confession. These drugs are approved by the FDA who had possession of this information before they approved the drugs, because it was on the application from the drug companies when they applied for a license to market their drugs.

Some of the side effects of antibiotics are Stevens-Johnson syndrome (when you can't smell, taste, see, hear, feel, or move--you never get any better, and it is often fatal); leukemia, bone marrow depression (which ranges from slight to moderate to severe--to complete, absolute, total, irreversible fatal bone marrow depression.) Antibiotics cause all kinds of blood disorders, and by weakening the immune system **they cause every kind of infection and every contagious disease in the world.**

Your medical doctor knows this, your government (the FDA) knows this; and if they didn't, they would be guilty of criminal negligent homicide for failing to read the warnings that come with the drug. Your veterinarian also knows this.

The damage done to YOUR body by the antibiotics is permanent. **It affects every patient.** To complete the list of side effects of antibiotics and give their entire descriptions would require thousands of pages in fine print.

Antibiotics cause cancer (see the PDR. The PDR is available at your local library or bookstore.) A few years before the invention of antibiotics the cancer rate was reportedly one in every 6,000 people. People used tobacco: cigarettes, cigars, pipes, etc.; and I have no doubt that tobacco contributed to the cancer rate; but still it was only one in every 6,000 people. Since the invention of antibiotics the cancer rate has increased every year, and now, after fifty years of antibiotics, the cancer rate is one out of every 3 people; and getting worse each year. **ANTIBIOTICS ARE THE NUMBER ONE CAUSE OF CANCER;** and the number one reason for the increase in the cancer rate!!! ~~In fact antibiotics have caused more pain and suffering, and have cost more money, than any other chemical substance ever invented in the entire history of medical intervention.~~ At the current rate of increase, the cancer rate will be 4 out of 5 people in less than twenty years. The average age of cancer victims gets younger every year. The damage begins with the first dose, and gets progressively worse with each additional dose. You can die from the side effects of antibiotics within 5 minutes after an injection, or at any time in the next fifty years. It's like carrying around a time bomb waiting for it to go off. Antibiotics damage the immune system, resulting in a lower white cell count. When the white cell count gets down to 500, you have AIDS. I have irrefutable proof that antibiotics cause AIDS. I will pay \$100,000.00 if you can prove that antibiotics do not cause AIDS. **Doctor shoots patient, then charges him to remove the bullet;** isn't it the same when they prescribe a drug that has side effects, then charge you for treating those side effects?

Antibiotics are a contributing factor in almost every case of illness known in the US. **Antibiotics cause the cancers, diabetes, blood disorders, leukemia, sickle cell anemia, heart attacks, brain damage, liver damage, etc.** (the average age of heart attack--and cancer--victims gets younger every year), and *the medical establishment and drug companies get rich treating these diseases.* Diseases which are the side effects of antibiotics! In fact, leukemia was unheard of before the invention of antibiotics, but a few years after antibiotics were introduced, along came this new disease called leukemia. If you look in the PDR, you will see that leukemia is caused by antibiotics.

This kind of medical quackery goes on all day, every day, non-stop around the clock, and the cost of this in the form of Medicare and Medicaid accounts for more than 27% of the Federal budget; and that's just the part paid for by Medicare and Medicaid!! It does not include the money paid out of our own pockets for medical quackery to doctors who don't tell us everything. It does not include the money paid out by our insurance companies or from our employer's medical benefits, or the money paid out for medical quackery for government employees, paid for by taxpayers.

If we took the money that is paid out for medical quackery in the form of Medicare and Medicaid alone, it would soon pay off the National Debt, thereby eliminating the #1 and #2 largest items in the Federal budget--number one being medical quackery (27%), and number two being interest on the National Debt (another 26% of the Federal budget), which totals 53% of the Federal budget. There won't be interest on the National Debt after the National Debt is paid off.

Eliminating medical quackery also means eliminating most of the habit-forming drugs in our society. Habit-forming prescription drugs either directly or indirectly account for about 80% of the street drugs in America (i.e.: a patient gets addicted to prescription drugs; later turns to the street for drugs; then gets others addicted to support his habit.) A proportionate amount of crime, the cost of investigating crime, the cost of prosecuting, and the cost of incarcerating, ALL account for a big chunk of the Federal budget--along with like amounts of the cost of state and local crime fighting. Medical quackery is the reason, and the only reason, law enforcement has been fighting a losing battle against drugs for more than 50 years, and has cost the taxpayers an astronomical amount of money.

If the cops took every addict and every pusher off the street, it would only be a matter of time before we had the same problem all over again; as long as the MD's continue to prescribe drugs that get the patient hooked--who then turn to the streets to become dealers to support their habits--the problem will never go away. It's like having a machine that turns innocent people into drug users and pushers as fast as the cops can get them off the street.

Another 22% of what is left of the budget is the \$100 billion the US gives to Israel every year. The money we gave Israel; the cost of the three wars we fought for them, with compounded interest comes to over 96 trillion dollars. **\$96,000,000,000,000.00;** enough to balance the budget, pay off the National Debt, abolish the income tax, and have a \$90 trillion surplus which would generate enough interest to run the country for 200 years without any taxes. We have a National Debt and income taxes for one reason and one reason only: we gave all our money to Israel!!! I've just been informed by an Israeli citizen that Israel doesn't have an income tax, or sales tax.

Cut out medical quackery and the give-aways, and stop fighting Middle East wars, and we won't need income taxes. There are plenty of other taxes to handle the running of the government. Since you will not need an income tax or the IRS, the cost of running the IRS will be eliminated. CONGRESS WILL DO THIS if we call it to their attention, but they need to get so many copies of this letter,

they'll have to read it to find out what it is all about. We have a lot of good Congress-people and Senators who are there because they want to straighten out the mess in the government. Remember, they and their families and their children and their friends all pay income taxes.

The tobacco companies are being asked for \$570 billion to pay for the damage they have done. Since the drug companies have caused **2000 times** that amount of health problems, why are we not asking them for **2000 times** \$570 billion, or \$1,140,000,000,000.00? This would abolish ALL taxes for *another* 200 years, with hundreds of trillions of dollars left over for educational programs, homeless people, and assistance to single parents, etc., etc. It is an important fact to note that most antibiotics are in fact *not* made in the US., and also that the nation of Israel gets the lion's share of the profit from the sale of antibiotics. Some groups, some governments, and some religions already reject using antibiotics. In fact, some of these take what they call "chicken soup" when they are sick, instead of antibiotics. In my community, "chicken soup" is referred to as "Jewish Penicillin." Israelis, by the way, don't use antibiotics.

I used to work at a place that made kosher "chicken soup;" the only chicken in the building was what I took to work in my lunch. There was NO chicken in the "chicken soup." It was my job to fill the mixing vat, and when the supervisor told me to put in 6 bags of cayenne pepper, 3 bags of echinacea, and 1 bag of goldenseal with some other herbs and flavoring, I at first thought it was a trick to rip somebody off by making it taste like chicken soup without adding any actual chicken.

Years later, while studying and reading how to heal the body through natural means, I learned these herbs were helpful in feeding the immune system and persuading the body to cure contagious diseases and infections without the use of antibiotics. That was my rude awakening, when I realized they were recommending the rest of us take antibiotics, which would eventually wipe out an entire Christian civilization, while they took the herbal cure. They kept it a secret from us by calling it "chicken soup."

When I found out about all this, I discovered there *is* another way to fight disease: by feeding the immune system. I picked up where they left off, did 20,000 to 30,000 feeding experiments over a 20 year period, and developed a product 20 to 50 times better than that "chicken soup," and 1000 times better than antibiotics. **This product completely, totally made antibiotics obsolete forever.** Whereupon an Israeli agent by the name of David Kessler (then head of the FDA) sent four carloads of armed robbers with sawed-off shotguns to my research farm. They robbed my employees at gunpoint, stole my vitamins, and told the newspapers they'd had a "drug raid." Their claim that my vitamins were drugs was based solely on what I said about the vitamins, and had nothing at all to do with their chemical composition. Then the crooks had the audacity to turn around and sue me. THEY sued ME! And got a court order preventing me from telling anybody about the product that made antibiotics obsolete; without side effects, without a prescription, and at a fraction of the cost.

Instead of keeping it a secret, I wrote full-page ads telling my customers what had happened. Some 50,000 of my customers and their friends wrote to their Congress-people and their Senators. Thanks to your help, Congressional investigators got warrants for the arrest of some of the FDA officials and subpoenaed Israeli agent David Kessler to testify before their investigating committee. Rather than testify before Congress, David Kessler (then head of the FDA) resigned and fled the country, going to Israel. Rumors have it that after the session of Congress adjourned, Kessler returned and some crook in the White House appointed him to another job.

After the above-mentioned congressional investigation, Congress passed a law forbidding the FDA or any other governmental agency from labeling a product a drug just because of what is said about the product. This kept the Gestapo quiet for a while, but when the government got wind that we are writing a book about it, they tried to harass, threaten, and intimidate me into keeping quiet. Today I got a notice in the mail from Federal Court, stating that my products are drugs based solely, again, on what I had to say about them and having nothing to do with their chemical composition. This completely ignores the fact that Congress had passed a law saying they could not do that. The worst case of contempt of Congress I've ever heard of! It's a criminal conspiracy to deny me every right guaranteed me by the law and the Constitution. It's a criminal conspiracy to put me out of business, and it's a criminal conspiracy to keep me from telling you about the conspiracy to rob and murder an entire Christian civilization by bankrupting our farmers and causing starvation; by closing our health food stores and chiropractors' offices, thereby forcing us to accept conventional medicine which is calculated to cause more illness to keep us coming back for treatments, until they get our money and take our lives. ~~Before you start to say that nobody could be that evil, remember this is the same organization, the same mentality, and in fact the same conspiracy responsible for the most evil act ever committed anywhere on the face of the Earth by any human or humans at any time in the entire history of the world: they murdered Jesus Christ, knowing full well he was the Son of God. And anybody who would murder Jesus Christ is capable of anything.~~

I remember when an Israeli agent named Adolf Hitler, and another Israeli agent named Joe Stalin, and another Israeli agent named Franklin D. Roosevelt, gathered around the cash register and sang "Onward Christian Soldiers!" while 40 million Christians murdered each other. I had already known about Hitler and Stalin; I caught on to Roosevelt when I learned there is a Franklin D. Roosevelt Jewish Cemetery that wouldn't sell you a burial plot, 6 feet of real estate, for a million dollars or *any* amount of money, unless you are Jewish. Do you think they'd name it after somebody who is not Jewish? Why is there no John F. Kennedy Jewish Cemetery?

Which brings us to the Holocaust. There was nothing published about the Holocaust until 1954. Your local library should have the old newspapers on microfilm; look for yourself. The first news story about the Holocaust was in 1954. Who kept it a secret, and why? Were those actually 6 million Jews buried there, or were those 6 million Christians? Do you really want to know the truth? **Do you think you can handle the truth? I'll tell you the truth.** Why do you think Israel is trying to prevent this book from being published?

Send a copy of this letter to your Congress-person and both of your US Senators, and give a copy to everybody you see. Congress WILL abolish the income tax; the only question is when. That depends entirely on you--on how many copies you make of this letter and send out. On January 29, 1998, I will be appearing in Federal Court, charged with telling you about vitamins, and violating the Federal Court Order to keep my mouth shut. The only charge is that I am giving you information about vitamins that the drug companies don't want you to know about, and the drug industry has spread some money around Washington and I suspect some of that money rubbed off onto the head of the FDA. I also suspect they are more than a little concerned over what I have to say about antibiotics. The drug industry stands to LOSE TRILLIONS of dollars and the taxpayers stand to SAVE TRILLIONS of dollars.

In regard to the National Debt, some want us to get involved in the war in the Middle East, a lost cause for this one simple reason: aside from the war costing us a trillion dollars, the Muslim religion says that Muslims should kill everyone in the world who is not Muslim, and the Hebrew religion says that Hebrews should kill everyone in the world who is not Hebrew.

Each one knows this fact about the other and that each one is trying to kill the other first. There is just one more reason to stay out of the war; the ultimate winner will be one that would try to kill the whole world except their own kind, and that includes us.

Which explains about the "chicken soup" and antibiotics. What a clever way to get rid of us and inherit the Earth!

Inform your Congress-persons and Senators THIS MUST CHANGE, and please do it soon. For those of you interested in the continued availability of my vitamins, do it faster than soon!

If you don't know the names of your Senators and Congress-persons, send to the following addresses and they will receive the letters anyway if it includes your zip code.

Congress; Washington, DC 20515 Senate; Washington, DC 20510
